**Re: Comments to Proposed Remedial Action Plan for the San Jacinto River
Waste Pits Superfund Site, Harris County, Texas**

Dear Mr. Miller:

On behalf of McGinnes Industrial Maintenance Corporation ("MIMC") and International Paper Company ("IP"), we are submitting joint comments to the United States Environmental Protection Agency ("EPA") in response to EPA's Proposed Plan for the San Jacinto River Waste Pits Superfund Site ("Site"), which was released for public comment on September 28, 2016. MIMC and IP's joint comments are identified as Sections I-VI in the enclosed comment submission. IP's separate comments on the Southern Impoundment are identified in Sections VII-X.

These comments have been submitted today by U.S. Mail and electronic mail. Please include this letter and all attachments in the administrative record for the Site.

Very truly yours,

Philip J. Slowiak, CSP
Senior Program Manager
Environmental Remediation
